

Worried about the Economy?

Come learn about ways of

Sharing Within Our Neighborhoods

Some of these are ways to meet our needs **cash-free**.
Others are ways to **reduce costs** or access things we might not get alone.

And more ...

We'll introduce those ideas which are unfamiliar.
We'll be implementing some of these projects immediately (the simpler ones),
or you can join teams of people interested in setting up the more involved ones.
